

HARRY C. SCRUGGS, 67, Dies of Pneumonia

Harry C. Scruggs, 67, of 2447 Benton street, a 50-year resident of Granite City, died at 2:50 p.m. Monday, four hours after entering St. Elizabeth Hospital for treatment of pneumonia.

Mr. Scruggs had been ill three years with cancer, and was too weak to survive the pneumonia attack. It was learned from the family, His wife, Maude, said he had been under medical care at home.

A native of Mason, Ill., Mr. Scruggs retired a year ago from the Shell Oil Co. at Wood River, where he had worked as a pipe-fitter.

He was a member of the Niederrhine Methodist Church, and was past high priest of the Royal Arch Masons, past watchman of shepherds of Gabriel Shrine 78, past patron of Chapter 630, Order of Eastern Star, and a member of Masonic Lodge 877 and the Ainal Temple Shrine.

Survivors, in addition to his wife, are two brothers, Glen Scruggs of Florence, Mont., and Walter Scruggs of Charleston, Ill.; and two sisters, Mrs. Wilma Lafferty, Cincinnati, O., and Mrs. Mable Henkle of Effingham. Funeral services were conducted at 2 p.m. today at the Niederrhine Methodist Church with burial in Sunset Hill Cemetery. An obituary is given elsewhere in this issue.

Charges Not Filed In 'Missing House' Case

Mrs. Martin Schrader, 2431 Hemlock avenue, told the Press-Record this week that charges have not been filed in the case of the Schraders' "missing house" on Sunset Hill near Edwardsville. Mrs. Schrader said they had started to tear down the house before going on vacation, and found the whole thing missing when they returned. The missing materials, valued at \$1000, were reported to the Madison county sheriff's office last week.

She said there apparently has been some misinformation about the incident, and emphasized that the house itself was of no great value.

"We bought the property for the land," she said, "and it just happened to have an old house on it. We hoped to salvage some of the material from the building, but the house had not been lived in for years."

She said the family had hoped to use the serviceable lumber for construction of a tool shed, and were "pretty disgusted" about losing it, but had not yet filed any charges.

Some of the missing material reportedly has been found in the possession of a Collinsville man and an Edwardsville area man, both of whom claim to have had permission to take it from the former owner before the property was sold to Schrader.

Mrs. Bertha McLellan, 86, Dies; Ill 11 Years

Mrs. Bertha McLellan, 86, of 1308 Cottage avenue died at 12:30 a.m. Tuesday at St. Elizabeth Hospital, where she had been a patient one day. She had been ill for 11 years.

Mrs. McLellan had lived here with her daughter, Mrs. Beryl Nyboer of the Cottage avenue address, for 25 years. Previously she was a 33-year resident of Minnetonka, Minn. She was born in Ottawa, Canada.

She was a member of the First United Presbyterian Church of Granite City. Mrs. McLellan's husband, John H. McLellan, preceded her in death in 1942, and her only survivor is her daughter, who is bookkeeper at the Southwick Metal Co.

Funeral services were held Tuesday night at a Granite City funeral home, after which she was taken to Minnetonka, Minn., for graveside services and burial.

GC Seeks Levee Board Aid

(Continued from Page 1)

costing the city \$771 a week for around-the-clock maintenance of the pumps by one man on each shift. Mayor Davis said an agreement was reached with Jack Green, business agent for the Laborers Union, for the force to be cut from two men a shift to one with the men hired by the city from the union hall.

"I don't know if this agreement will continue once the contractor goes to work on new construction," Mayor Davis added. The pumping cost under contract was estimated at \$50,000 to \$60,000.

Alderman Walter Nunn asked for a legal opinion on use of city funds for such work which the levee board turn down the city's request. "Tax objections could be filed," he remarked. The city has wiped out its revenue funds on sewer repair projects this year.

Street Supt. Authority
An amendment to the municipal code giving the superintendent of streets "complete supervision of the street department employees with responsibility for disciplinary action if deemed necessary for the efficient and economic operation of the street department" was adopted as recommended several weeks ago by the Public Works committee to end the feud between Mayor Davis and Supt. William Warfield.

The amendment also corrected the street office election date, setting it for 1963, instead of 1965. Duties of the street superintendent were not changed.

In other action, the council again failed with an 8-to-6 vote to give a majority approval for first reading of an ordinance to extend one-way, northbound traffic on Benton street from 24th to 27th street.

Bank Tunnel Approved
Approved construction of a 150-foot tunnel from Granite City Trust & Savings Bank to a sewerage treatment plant to be installed at Delmar avenue in the bank's new driveway.

Approved salaries for the first half of November totaling \$37,614; township bills of \$7390 for relief and \$766 for town purposes.

Placed on file a letter from the Tri-City Labor Temple Association complaining of damage to the Labor Temple from the rough condition at 20th and State streets and a request from Robert Murphy for repairs to a fender on his car damaged by a defective curb on Niedringhaus avenue at Walnut street.

Accepted and filed a notice from the state highway department approving \$100,000 motor fuel tax expenditure for improvement of Washburn avenue from Pantoon to Johnson road.

Approved a request from the Associated Retailers for local Santa Claus' cabin in 20th avenue at 19th street the week of Nov. 20 and decorating the city hall with holiday lights.

Approved \$2000 liquor bonds for Club Delmar, 1832 Delmar avenue, with Paul Summers and a new partner, David L. Murphy, as licensee, and for Eddie's Lounge, 2900 Nankook road, a renewal for Everett Messinger.

Granted permission for Police Magistrate Gasparovic to attend an Illinois Traffic Court conference at Carbondale Nov. 27-29.

Oppose RR Merger
Voted approval of a resolution opposing the merger of railroads which would result in a loss of jobs for Quad-Cityans, with the resolution to be prepared by the city attorney and forwarded to the Illinois Commerce Commission.

Authorized the purchase of two tree saws, costing \$202 each from Collinville Boat and Motor Co. for the street department.

Turned down a request from city employees for a Friday, Nov. 10, or Monday, Nov. 13, holiday in observance of Veterans' Day on Saturday, Nov. 11, and noted city employees under current contracts are to work the Friday after Thanksgiving Day; and

Referred to the Public Works Committee a request from Illinois Power Co. for excavations 1800 feet long along Victory drive and Terminal avenue to serve eight families on Victory drive with gas.

Madison-St. Clair Bowling Tourney Set For April
Initial plans for the Madison-St. Clair counties bowling tourney, to be held at lanes in both counties early next April, were made during a meeting of the Greater St. Louis Bowling Association on Monday at Cline's restaurant here.

Team events will be conducted in Madison county; at the same time, doubles and singles events will be rolled in St. Clair county. Entry fees were established at \$4 per man per event.

Among those who were association: James McGilgigan, secretary-treasurer; Phil Todd, assistant secretary; Jim Johnson of Granite City, tourney secretary and board member; Jack Jacobino of Granite City, secretary of the Illinois BPA; and Yock Lombardi of Granite City, liaison officer.

Razing Of Old Hospital Building Under Way

Razing of the 57-year-old original St. Elizabeth Hospital building, 21st and Iowa streets, was started yesterday to make room for a hospital staff parking lot. Wrecking crews of the T. O. Stuebner firm tore down the old convent and garage in the 2100 block of Iowa street earlier this week and then began on the

Steinhauser In Hospital

Burn Victim Recuperating

Joseph Shugart, 25, of 1021 Grand avenue, Madison, who was burned last Saturday in a gas-line explosion aboard a sand dredge on the west section of Horseshoe Lake, is reported to be recuperating at St. Elizabeth Hospital where his condition today was described as satisfactory. He was burned about the legs, face and hands.

Muffler Noise Arrest

Arrested on Sixth street near Madison avenue, Madison, at 9 p.m. Tuesday, Malcolm D. Smith, 24, of 2434 Edison avenue was charged with no driver's license and unnecessary noise with an auto muffler. He was released to return for a hearing.

Rites Today For Father

Of Ervin G. Schirmer
Funeral services were conducted at 2 p.m. today at Eden Evangelical and Reformed Church, Edwardsville, for John F. Schirmer, 78, of Ft. Russell township, who died at 10:35 p.m. Monday at home. He was the father of Ervin G. Schirmer of Granite City.

Granite City PRESS-RECORD

Mr. Schirmer was a retired section foreman for the New York Central Railroad, and had worked for the line 45 years. Other survivors are his wife, Mary; two other sons, three daughters, and six grandchildren. Interment was in St. James Cemetery, Ft. Russell township.

TEAM BALL — Sidney L. Aubrey, Tri-City Area United Fund General Campaign Chairman, is shown here displaying a football that was presented to him at Monday's final report luncheon. The pigskin presentation, which followed the general campaign theme, was photographed by all his division chairmen and co-chairmen.

Madison Benefit Dinner Sunday

Funds from a benefit smorgasbord Sunday, Nov. 12, at the Madison recreation center, Seventh street and Lee avenue, will go to two projects, it was announced today by Leo Schermer, smorgasbord chairman, and Fred Schmidt, president of the sponsoring Madison Rotary club.

Hours will be 11 a.m. to 6 p.m. Proceeds will be devoted to Rotary fellowships for college students, and construction of a concession, shower and restroom building at Third street and Highland avenue, where ball games, children's playground activities, community festivals and school programs are held.

"All you can eat" again will be featured, as at all five previous smorgasbords given by the 36-year-old club. Cost again will be \$1.50 for adults and 75 cents for children, the same as when the annual event was started in November 1936. Tickets will be available at the door as well as from club members.

Cooking and serving will be by the Rotarians, and meat dishes on the varied menu will include roast turkey, ham, stuffed peppers, Polish sausage and meat balls.

gram of recreation for their particular benefit."

Dec. 15, 19 Bid Openings
Bids on the four community buildings will be publicly opened at 2 p.m. Tuesday, Dec. 12, at the director's office in the Madison County Housing Authority headquarters at Market street and Washington avenue, Madison.

Contract document forms, plans and specifications were made available today at the office and at the location of Architectural Engineers, Inc., 331 North Eighth street, East St. Louis. Deposits will be \$25 and no bids can be withdrawn for 45 days after the opening. Firms may bid on any one or more of the four projects.

Documents for the 10-story structure also are available at the housing authority office in Madison at 2 p.m. Dec. 19. A 45-day non-withdrawal period also has been specified.

In both categories of bidding, the successful bidder will be required to pay minimum salaries and wages set forth in the specifications.

Expected Bid Call Soon On Housing For Elderly
Authorization to call for bids on construction of a 100-unit housing project for the elderly is expected momentarily from the Public Housing Authority of Chicago. It was reported last night at a monthly meeting of the Granite City Housing Authority board. All preliminary documents for the proposed local apartments have been forwarded to Chicago.

After a brief business session, the board members attended a city council meeting to view a motion picture on the federal urban renewal program.

Authorized the purchase of two tree saws, costing \$202 each from Collinville Boat and Motor Co. for the street department.

Turned down a request from city employees for a Friday, Nov. 10, or Monday, Nov. 13, holiday in observance of Veterans' Day on Saturday, Nov. 11, and noted city employees under current contracts are to work the Friday after Thanksgiving Day; and

Referred to the Public Works Committee a request from Illinois Power Co. for excavations 1800 feet long along Victory drive and Terminal avenue to serve eight families on Victory drive with gas.

Auto Drivers Hurt In Tree, Train Accidents

Two motorists were injured this week in separate accidents involving a train and a tree. In the area, three injuries were reported in three of 11 accidents. Thomas W. Grove, 33, Collinsville, who police said fell asleep at the wheel of his northbound auto on Madison street about 2:45 a.m. today taken to St. Elizabeth Hospital, he was treated for lacerations to his hip and head, x-rayed for chest injuries which proved negative and was released. Mrs. Iris Johnston, 37, of 2500a State street, was treated at St. Elizabeth Hospital and transferred to Barnes Hospital in St. Louis after her car was struck by a Chicago, Burlington & Quincy railroad engine about 12:40 a.m. yesterday at the 23rd street crossing.

She was treated for lacerations to the right side of her face and right ear and released. Police reported that Engineer Harold E. Stewart, St. Louis, said that Mrs. Johnston was a westbound on 23rd street where she went around a crossing gate missed getting hit by one train but was struck by the northbound locomotive that he was operating.

John Ertink, 8, of 2225 Moline avenue, was riding his bicycle north on Vine street Monday at 3:55 p.m. when the bike was struck from behind by a westbound auto on Waterman avenue driven by Naomi K. White, 30, of 2400 Waterman. He was taken to St. Elizabeth Hospital where he was treated, scragged for injuries to his right hip and released.

Rail Workers Say 228 Jobs In Jeopardy Here

Jobs of 228 Quad-City and other hundreds in the nearby area are jeopardized by a proposed nationwide railroad merger, A. B. McClure, local chairman, and Norman Cochran, member of Anti-Merger Railway Employees United, told Madison Rotarians yesterday. The club voted to oppose consolidation of Walworth and Nickel Plate Railroad facilities between here and Ohio. The secretary and individual members are to write the Interstate Commerce Commission and federal and state officials, senators and representatives. McClure said Nickel Plate, which has yards in Madison, employs 91 people from Granite City, 82 from Madison and seven from Venice, while Washburn, which has yards south of Venice, employs 29 from Granite City, nine from Madison, eight from Venice and two from Nameoki township. In addition to eliminating jobs and reducing competition the merger would eliminate railroad service to many cities, he contended, adding that this would cause inconvenience and extra expense and also would hamper the nation in its future military mobilization. He was introduced by Leo Schermer, program chairman.

Heart Attack Fatal To Francis O. Clare, 81

Francis O. Clare, 81, of 2137 State street, was pronounced dead on arrival at St. Elizabeth Hospital at 9:45 a.m. yesterday after being stricken with a heart attack at the Madison Nursing Home. Mr. Clare entered the nursing home Tuesday. He had been under medical care for a heart ailment for two years. Born at Nebo, Ill., he had been a Quad-City resident for about 60 years. He was a retired carpenter at the Granite City Engineer Depot, and had worked as a custodian at St. Elizabeth Hospital. He was a member of the Trinity Baptist Church, St. Louis, where he had served as church moderator. Surviving are his wife, Lura, five sons, Ronald of Granite City, Robert of West Covina, Calif., Gerald of Chicago, Bruce of San Antonio, Tex., and Durwood of Paducah, Ky.; a brother, Harry Clare, Granite City; and six grandchildren. Funeral arrangements are given in today's obituary column.

Citizen League Att'y. Discusses Tax Appeal

Mark Hallett, legal representative for the Southern Illinois Citizens' League, discussed the appeal of the St. Louis city earnings tax, now pending in the Missouri courts, at a meeting of the SICL Tuesday evening at the VFW hall in Collinsville. Hallett said he was hopeful of a favorable decision, and it was announced that Cong. Melvin Price (Dem., East St. Louis), has asked the league officers to meet with him to discuss the controversial point of taxation of non-residents of Missouri. League President William Siler presided.

Three In Group Fined
Fines totaling \$25 each were levied in Venice Tuesday evening against Jesse Terrell, 19, of 808 Jefferson street, Leman Smith, 21, of 810 West Washington street and Thomas Chapman, 24, Brooklyn. Two had been charged with disorderly conduct and peace disturbance in the 1000 block of Calhoun street Nov. 5, and Terrell with curfew violation and disorderly conduct. Hearings for two others are pending.

Rites At Cairo For Mrs. Vesta C. Dawson

Funeral services were conducted at 1:30 p.m. yesterday at Cairo, Ill., for Mrs. Vesta C. Dawson, 63, who had made her home for the past six years with her daughter, Mrs. Elmer E. (Juniata) Olson of 3002 Dale avenue.

Mrs. Dawson passed away at 4 a.m. Sunday at her home after an extended illness. She was under medical care.

Mrs. Dawson was born at Cairo, where she spent most of her life. Her husband, John W. Dawson, preceded her in death in 1922.

Survivors, in addition to Mrs. Olson, are another daughter, Mrs. Eiler (Charlie) Fredericksen of Winona, Minn.; three sisters, Mrs. S. A. Reginald of Kennett, Mo., Mrs. Harmon Holt of New Madrid, Mo., and Mrs. Louis Kraft of Coonville, Mo.; and five grandchildren.

Burial was in Thistlewood Cemetery, Cairo.

Mrs. Peck Hurt In Fall

Mrs. Ralph Peck, 1656 Fourth street, Madison, is in good condition today at St. Elizabeth Hospital, where she was admitted after a fall early this week in the First Baptist Church of Madison. She suffered a pelvic fracture and bruises to the head and right hand.

Venue, \$3310 or 87.1%. Division total — \$10,603 or 92.2%.

Special Gifts and Professional Division — special gifts section, \$1789 or 68.8%, medical, \$1912 or 59.8%, legal, \$1849 or 102.5%, dental, \$470 or 55.3%, and others, \$571 or 81.6%. Division total — \$4687 or 73.5%.

Organizations Division — \$305 or 49.2%.

The invocation and benediction at Monday's luncheon was given by Rev. Calvin Marcum, pastor of the Nameoki Presbyterian Church and president of the United Fund board of directors.

He was taken to St. Elizabeth Hospital and admitted for x-ray and observation. He is employed by the Harold Henemeyer Construction Co.

Bakery Shop Workers Sign New 2-Year Pact

A new two-year contract has been signed by local bakery shop operators and the Retail Store Employees Union Local 435, granting a five cent hourly pay raise each year to the 35 employees involved.

Miss Hattie Sheppard, business agent for the union, said the new agreement also grants the workers health and welfare measures not previously included, and is retroactive to Oct. 1.

Negotiations are still underway for new contracts between the union and local furniture and drug stores. Firms involved are those which do not belong to the Associated Retailers and Civic Association which signed a new pact with the union in late September.

Frohhardt Poster Honors Go To Berger Sisters

Debbie and Barbara Berger, daughters of Mr. and Mrs. Ted Berger of 2121 Richmond street, took top honors yesterday in Frohhardt school art poster contest held in conjunction with National Children's Book Week.

Debbie, a sixth grader, was first prize winner in the first division, and her sister, who is in the third grade, received the top award in the second division.

The two won in competition with 355 other entries, with 20 finalists chosen in each of the two divisions. First division was made up of fourth through sixth grade entries, and the second division was composed of entries from the first three grades.

Other winners in the first division were Beverly Frazier, daughter of Mr. and Mrs. Arthur Frazier of 2128 Garfield avenue, second; Dennis Wright, son of Mr. and Mrs. Richard Wright, 3213 Ridge road, third; and Darlene Rutherford, daughter of Mr. and Mrs. Claude Rutherford of 4035 Garfield avenue, fourth.

The second division winners were Carol Wells, daughter of Mr. and Mrs. Charles Garber of 3232 Ridge avenue, third, and Susan Fricker, daughter of Mr. and Mrs. Jack Fricker of 3156 Myrtle avenue, honorable mention.

The winning posters will be shown next week at a public display at the Granite City public library.

Mrs. Alton Jessen, chairman of the contest, which was sponsored by the Frohhardt P.T.A., said the competition was held to emphasize the importance of good books and to encourage pupils' participation in artistic endeavor.

Contest judge was Eugene Alassi, supervisor of art education in the Granite City schools, with selection based on originality, execution of ideas, and effort.

Thweatt Arraignment Scheduled Tomorrow

Terry Thweatt, 33-year-old ex-convict, is scheduled to appear for arraignment Friday morning before St. Clair County Judge William P. Fleming on a charge of assault with a deadly weapon.

Thweatt is free on \$10,000 bond pending the hearing, which was originally scheduled last Friday but was continued until 9:30 a.m. tomorrow.

In a warrant filed by St. Clair County Assistant State's Atty. Kenneth J. Juen, Thweatt is charged with an Oct. 26 assault on St. Clair County Deputy Clarence "Bud" White inside a tavern near East St. Louis.

Thweatt allegedly threatened White with a .38 caliber revolver, then fled to his home on Chouteau, Slough road near Granite City, where county state and Granite City law officers took him and a companion into custody after flushing them from a wooded area. The companion was freed.

Thweatt waived a preliminary hearing in Freeburg Oct. 27.

Benefit Fund Highlight Of GC Rotary History

Nostalgic recollections prevailed at Tuesday's luncheon meeting of the Granite City Rotary club as Homer Huber, a club director, presented a talk and projected pictures tracing the club's history from its formation here on Feb. 6, 1924.

The Home Show and Horse Show benevolent program has been the highlight of the 37 years, he reported.

Early members still active in community life are William Huxel, who was present, and Nathan Fleishman, Roy Barney, Arthur Roman, Carl Graham and W. F. Coolidge, Huber noted, calling attention to photographs, articles and announcements of the 1920s and 1930s as issues of the club bulletin were flashed on the screen.

He showed a 1924 bulletin advertisement aimed at the club's many bachelors at that time, pointing out that Graham was as active that year in the Boy Scout council as now, and said finances formerly were shaky, a 64-cent balance on June 30, 1938, being reported under a heading of "Save Money." Attendance was stressed then much like now, and the 1924 membership was 46, compared to the current 58.

Originally called the Rotary House, the bulletin featured a wheel symbol with the motto, "Rolling Wheel of Rotary Means Service," Huber said. This gave way to the Weekly Menu, "He Serves Best Who Smiles Most," when wagon wheels and gears came out of style, but by 1937 the present designation of Skewee, "The Noisy Skewee of a Wheel Carrying a Full Load," had been adopted.

The speaker noted that the initial meeting was in the Old White Star restaurant; first president was Lewis Lindley, then editor of the Press-Record; first attendance at a district meeting was at Chase Hotel in 1924, for which a coach was chartered on an electric interurban train; Lindley, Harry Anderson, Louis Buerger and Archie Boyd were instrumental.

In sponsoring organization of the Madison Rotary club in March 1925; Dr. Phillip Dale of Granite City was Rotary president in 1938, with Rev. A. Ralph Lynn attending the post in the 1940s; and C. W. Hoelscher took the club in January 1939 of initial planning for the local river canal.

Student Loan Fund
Largest club project in the 37 years was a revolving fund exceeding \$2000 from which students borrowed to continue their education, he related.

Huber described the Home Show-Horse Show program as the "most continuous program for giving ever carried out" in the Quad-Cities, reporting that the over \$20,000 has been raised and expended in the past 10 years.

Projects listed included installation of a YMCA kitchen, "Y" auditorium ceiling and air conditioning, Boy Scout camp, Girl Scout camp, roadway, Salvation Army girl cadet uniforms, mental health clinic furnishings, Granite City high school organ and orchestra-band instruments, and school classroom "Rotary four-way test" framed certificates and textbook stickers; jurisdiction of the Granite City Scholarship Foundation; and presentation of other scholarships.

A \$125 reserve fund also is maintained.

Huber recalled that Harold Thomas and Ray Ruffer headed the original Rotary Home Show. Experiences now regarded as humorous included a fire that "almost burned down the YMCA building" at the first show and lack of electric power at a subsequent show, he said. The fund-raising project later was replaced by annual western horse shows.

He was introduced by President Edward Merz, who presided. The club decided to participate again this year in bell-ringing for the Salvation Army "Tree of Lights" fund. Information on the annual Granite City high school band concert series was referred to the Horse Show fund committee.

Strand Will Sing With Monmouth College Choir

James Strand, a son of Mr. and Mrs. Richard Strand, 1829 Bremen avenue, is one of 78 students at Monmouth College in Monmouth, Ill., selected to sing in the 1961-62 choir.

The choir, under the direction of Prof. James Dunn, provides special music for the monthly college vesper services and, during the Christmas season, joins residents of Monmouth in a community-college production of "The Messiah," Handel's traditional Christmas oratorio.

Pilic Inquest Held

A verdict of death by coronary occlusion, based on an autopsy report, was returned at an inquest Monday night into the death of Nicholas Pilic, 51, of 2108 East 20th street, Pilic collapsed while taking a shower after work at the Granite City Steel Co. early last Thursday. The inquest was conducted by Deputy-Coroner Henry Pieper.

Sunday School Clinic Monday At 1st Baptist

A Sunday school clinic will be held at First Baptist Church on Monday, with Russell Noel, educational director of the Tower Grove Baptist Church in St. Louis, and his staff of workers here to discuss all departments of the work.

The workers and their departments will include: Nursery—Mrs. Earl Carmack, coordinators of the 23 nurseries who work on the faculty at Ridgecrest the past summer and chairman of the Nursery for Southern Baptist convention meeting in St. Louis; Beginner—Mrs. Ira Kennedy, coordinator of six beginner departments; Primary—Mrs. Russell Noel, coordinators of nine beginner departments; Junior—Mrs. Coy Burns, former coordinator of eight junior departments; Intermediate—Mrs. Frank Keene, coordinator of eight intermediate departments; Young People—Mrs. Bob Ray, superintendent of adult training department; Teacher—Miss Alberta Schullert, director of adult work at Tower Grove church; General Session—Russell Noel.

Christmas Plans Made By World War I Units

Veterans of World War One Barracks 34 and the Auxiliary met Tuesday evening at the VFW hall to discuss Christmas plans. The meetings were conducted by Jay Elliott, commander, and Mrs. Elizabeth Hutsel, president.

A joint memorial service for deceased members was held with a eulogy presented by Mrs. Estella McBrien and Mrs. Zelma Hart, accompanied by Mrs. Andrew Brown.

Plans were made to present Christmas packages to veterans at the Alton State Hospital and plans were discussed for a joint Christmas party to be held at the next meeting.

Guests for the evening were Mr. and Mrs. Grover Weimers and Mrs. Mary Fulleide of Edwardsville, and Mr. and Mrs. McReynolds and Mr. and Mrs. Donald Smith of Wood River. Following the business meeting, refreshments were served to 80 members and guests, with Mrs. Caroline Moser as hostess.

St. John Guild Plans Party

"In The Service of Men" was the topic of the devotional service led by Mrs. Joan Schneider Monday evening at a monthly meeting of the Evening Guild of St. John United Church of Christ. The Scripture lesson was read by Mrs. Jane Craig.

Mrs. Judy Stille, president, conducted the meeting and plans were made for the annual Christmas party and pot luck supper in connection with the Dec. 4 meeting. The members agreed to exchange 50-cent gifts, and children's gifts in the same amount will be taken to the meeting to be distributed by one of the welfare organizations.

The program for the evening, a study of the various benevolent organizations of the church, was given by Mrs. Dorothea Rivenburgh, Christian service chairman.

The hostess committee, consisting of Mrs. Harriet Bunselmeier, Mrs. Dorothea Kirskey, Mrs. Mary Fries and Mrs. Doris Laboratory, served refreshments to 27 members. Mrs. Betty Miller was enrolled as a new member.

GUESTS AT KLEINSCHMIDT HOME

Mrs. Louis Kleinschmidt of DeSoto, Mo., a former resident of Granite City, is a guest of her son and daughter-in-law, Mr. and Mrs. Roswell Kleinschmidt, 2251 Edison avenue, while recovering from a recent illness and while her husband is convalescing at St. Mary's Hospital in Clayton from surgery which he underwent Monday.

MRS. WILLIAM F. KAMAN, the former Marie Sluko, a daughter of Mr. and Mrs. John Sluko, 4142 Fairview avenue, St. Louis, who was married Saturday at Holy Family Catholic Church in St. Louis.

Sorority Enrolls Three Rushees

Benington, Guglielmi, Gray Speak Before 337; Park's Appreciation Award To H. D. Karandjeff

They came to receive or watch the award of trophies, to enjoy a good meal and to be entertained, and the 337 people who crowded into the YMCA gymnasium here Tuesday night were not disappointed on any count as the Granite City park district staged its second annual sports banquet.

The evening was highlighted by a speaking appearance by John Benington, held basketball coach at St. Louis university, who possesses as much humor when on the banquet circuit as he does know-how from the bench at Kiel auditorium, and presentation of the park district's appreciation award.

In the form of an engraved silver bowl, the award was presented to Henry H. Karandjeff, board chairman of the Granite City Trust & Savings Bank and American National Bank of Granite City and former treasurer of the park district, by Commissioner Milton Allen at the conclusion of the evening's program.

Worked For Golf Arrangement
The award was established last year in recognition of the individual who, in the opinion of the park board, makes the greatest single contribution toward furthering park activities.

It went to Karandjeff, in Allen's words, "As the civilian who did the most to provide golf facilities here in Granite City."

He referred to the several weeks' efforts in making the nine-hole Engineer Depot golf course available for use by other than military personnel and their guests, with the cooperation of the depot itself.

Karandjeff also was praised for his interest in activities for youth within the park district. He had a hand in equipping and sponsoring a number of boys' baseball and girls' bowling teams this past year, Allen told his audience.

Praise For Program
Benington, who delivered the principal address, and Ken Gray, head of the Cardinals, who followed him, each cited the program being offered to youth by the local park district as an unusually fine one.

The St. Louis coach, who came directly from pre-season practice at St. Louis U., told his listeners he is not so much interested in the type of recreation which park districts make available as in the fact that it is there for youngsters to take advantage of.

"I've got eight kids," the "Thin Man" said, "and believe me, when I come home I want them to be tired."

Parks Solve Problem
Benington said he cannot spend the time with his children that he would like to, that he felt there are other busy people in the same situation, and that organized recreation as provided by park districts and recreation associations solves the problem in some instances.

Dwelling briefly on a question which will be put to him many times in the next few weeks, Benington had this to say about prospects for a successful jilliken basketball season: "We guarantee our fans that they will see the finest in college basketball this season. Of course, we may not play it, but from the books of some of the teams we scheduled, they'll see it anyway."

Guglielmi, candidate for the

ENGRAVED SILVER BOWL, emblematic of the Granite City park district's appreciation for his efforts in obtaining public golfing facilities here, was presented to Henry H. Karandjeff (right) at Tuesday's park sports banquet by Park Commissioner Milton Allen. Presentation was witnessed by 337 at the local YMCA.

Venice Takes Two From Sacred Heart Cagers On Tuesday

Venice schools' seventh and eighth grade basketball teams opened the season Tuesday night with a doubleheader victory over visiting Sacred Heart school of Granite City at the VCS gym.

Roger Davis' "A" squad nipped the Sacred Heart Falcons 35-34, after the Venice bees had had an easier time in the first game, winning 26-18.

In the second game, Venice led 15-14 at the half after the first period had ended 7-7. Sacred Heart took a 25-24 lead at the end of three quarters, and then Venice came back. Richard Essington led Venice scorers with 11 points, but Mike Pritchard of Frank Bautech's visiting club was the evening's top pointmaker with 15.

Venice's next games will be with St. Mark's of Venice next Tuesday. Sacred Heart will play St. Boniface of Edwardsville at 2 p.m. Sunday in a Chouteau Valley conference game at Sacred Heart school.

Football Banquet

**Scheduled For
Nov. 21 At GCHS**

Date set for the annual Granite City high school football recognition banquet is Tuesday, Nov. 21, GCHS Athletic Director Dick Yates said today.

To be sponsored by the Tri-City Shrine club, the smorgasbord-type banquet will begin at 6:15 p.m. in the high school cafeteria, and will feature John "Red" Pace, National Football League official and director of public relations at the University of Illinois, as guest speaker.

GCHS football lettermen and cheerleaders will be recognized, and Shriners will present the Shrine benefit football game trophy to the Warriors, who defeated Madison 21-13 in the annual contest this fall.

Tickets for the banquet, priced at \$2 each, are available from Shrine club members and at Graham's Book Store and at Bellemore Toy & Sporting Goods.

Madison On One-Foot Line As Game Ends; Petty Scores 5 Times In Rout

When a team scores nine touchdowns, six extra points and does it in a three-circling style, what is there to add? Madison's Coach Glen "Pick" Pickering's only comment was: "what can you say about 60 points?"

That's what his Trojans amassed against Gillespie's Miners last night at Madison while holding the opposition scoreless. Another reason "Pick" and Assistant Coach Joe Asperger did not comment further on the rout was that their team was about to throw them into the showers, in a traditional celebration.

By winning, Madison finished the season with a 6-1-1 mark which is one of the finest records in the area this year and in Trojan history. It was Madison's sixth straight win.

Wednesday night's explosion against Gillespie resulted in Madison's Ed Petty closing out the campaign with 59 points, 31 of which were scored in the final contest.

His scoring efforts against the Miners attest to the type of game it was. Petty scored on a three-yard run; two passes from Quarterback Mick Gravigille — one for 36 yards and the other a 19-yard aerial; a 57-yard run; and a 63-yard punt return. He added an extra point on a reverse.

Early Start
Gillespie got its first break at the outset when it lost the flip of the coin. On the first play from scrimmage, Madison's Ken Griggs raced around end for 44 yards to the 12-yard stripe. Three plays later, Petty got his first touchdown on a three-yard end run. Griggs added the extra point on an end run with 2:12 gone.

A Miner fumble on the following series of plays was recovered by Norman Stawar on the Gillespie 28. Griggs went into the end zone standing up on the next play and Fullback Terry Andrews bulled his way over for the conversion. The score: 14-0 with just five minutes played in the game.

Madison's ensuing kickoff brushed against a Gillespie player and Trojan Walt Cooper fell on the ball at the Miner 10. One minute, 43 seconds and four plays later, Griggs had scored from the five and Petty had made the extra point.

28-0 First-Period Lead
Andrews intercepted the first of two passes to set up the fourth TD minutes later. Gravigille passed to Petty for 36 yards and a TD with 2:23 to go in the first quarter, and Griggs converted. The score: 28-0.

City Council To Consider Urban Renewal Application

A recommendation on making application for federal Urban Renewal Funds for Granite City will be made soon by the City Planning Commission, it was reported to the council last night by Alderman Donald Partner, chairman of the council's Planning Committee.

At the start of the council session, a 20-minute, color-sound film on such federal programs in other communities was shown by Fred G. Cecchi, director of the City Planning Associates firm of Mishawaka, Ind.

Partney said the firm and several others are submitting proposals to the planning commission. Cecchi said his company would charge about \$300 to update the city's 1956 master growth plan and \$1200 to \$1500 for initial work for a city application for a share of the \$2,000,000 federal funds being made available for urban renewal.

Cecchi explained the city has a choice of several types of projects, and that the Granite City Housing Authority board could function as the city's local agency for a project that could be for a particular neighborhood or community-wide for

redevelopment of several residential areas and the central business district over a period of 10 to 15 years.

He added the federal government would pay two-thirds to three-fourths of the cost, and that the city's share could be paid through credits for improvements built in a three-year period which would serve the area being redeveloped—such as schools, streets, sidewalks, sewers or a fire station.

Since preparation and processing an application would take a year, Partney urged the council to consider speedy action once the Planning Commission makes a recommendation in order to receive credit for new schools recently built.

No mention was made of areas, other than the possible redevelopment of North Granite in order to acquire sanitary sewers and improved streets.

Partney said the film is available for the next two months to PTAs, service clubs and other organizations.

Present to view the film during the council meeting were members of the Housing Board, Planning Commission, Board of Zoning Appeals, school district officials and park district officials.

Street Light And School Stop Sign Requests

Installation of three street lights and school stop signs were requested during last night's council session and referred to the Public Safety Committee.

Requests for middle-of-the-block lights at 2840 Iowa street and 2552 Grand avenue, were made by Alderman Mrs. Gabrielle Betts; while Alderman Charles Meyer asked the committee to study the need for a light at West Benton street and V. S. Highway 67A to illuminate a traffic island.

Alderman Samuel Shackelford asked the committee to study the need for school stop signs at St. Clair and Jell avenues and at Dogwood and Leonard avenues.

Permission was granted Union Star and Refining Co. to enlarge a driveway on the north side of 19th street from 25 feet to 50 feet and to pave an eight-car area for off-street parking along 19th street.

Eagles Ready To Start Canned Goods Drive

The annual canned goods drive by the Fraternal Order of Eagles will begin next Wednesday with a 6:30 p.m. kick-off dinner at the Eagles Lodge, 26th street and Madison avenue. Any Shopper will be chairman of the campaign.

Tickets for the dinner may be obtained from members or at the club at \$1.25 a person. The drive is conducted in conjunction with the Salvation Army "Tree of Lights" program to provide food baskets for needy families at Christmas.

The lodge also plans to start a youth wrestling program by Jack Henrich, and a six-week boxing program under the direction of Edward McGovern.

Election Judge School At Y Next Tuesday

In compliance with a new state statute which became effective last Aug. 16, an instruction school for prospective election judges will be conducted at the YMCA here next Tuesday.

County Clerk Miss Eulalia Hotz said today.

Separate and identical schools will be held at 2 and 7 p.m. in the Y auditorium. Miss Hotz said she would notify each prospective judge of the schools, which will consist of a review of election conducting procedures at polling places and a brief examination. She is urging those that can attend the afternoon session to avoid overcrowding the 7 p.m. class.

Prospective judges from Granite City, Venice and Nemoiki township precincts and Precinct One in Chouteau township will attend the school here to prepare for next April's primary election.

Other schools will be conducted next week in Alton, Highland and Edwardsville.

State Awards \$86,543 Contract For Road Signs

An \$86,543 contract for furnishing and erecting traffic signs and delineators along 8.46 miles of Interstate 70 from a mile southwest of U. S. Highway 67A northeast to State Route 157 was awarded this week at Springfield to the National Advertising Co. of Bedford Park.

The contract was among awards totaling \$757,000 approved under the state's 1961 road program by the division of highways.

GI Killers Sentenced To Hang In Kansas

After deliberating six hours and 45 minutes, a Kansas jury Tuesday sentenced two convicted killers James D. Latham and George Ronald York to hang.

In signed statements, the two Army deserters, have described seven murders, including two in Madison county, in a spree which began last May 24 when they broke out of the Fort Hood, Texas, stockade.

On June 8, they beat Martin Drenovac, 68-year-old Mitchell resident, to death at his Twin Oaks service station near the Chain of Rocks canal bridge.

They also have confessed to the fatal shooting the same day of Albert E. Reed, 35, a Lithfield railroad man. His body was found in a drainage ditch near Peter Station.

The two teen aged killers were convicted in Kansas of the June 9 murder of Otto Ziegler, 62, an Oakley, Kan., railroad track maintenance foreman. An all-male jury rejected a plea of insanity.

Latham, 19, of Mauriceville, Texas, and York, 18, of Jacksonville, Fla., took the verdict calmly. Both had said earlier they were ready to die.

PLAN FOR WEBSTER SCHOOL OPEN HOUSE

The executive board of the Webster School Parent-Teacher Association met Monday, with the president, Mrs. Jo Ross, in charge. A discussion was held and plans were made for the regular PTA meeting on Monday, "Open House" for the observance of National Education Week, with the events including a program, "buzz" session and a short business session.

Mrs. Lena Sletzer, membership chairman, announced that a mother will be in each classroom during the open house to enroll new PTA members as part of a membership drive. An award will be presented to the classroom with the highest membership.

The savings stamp chairman, Mrs. Dolores Mount, announced that \$447 has been sold in stamps so far this year.

The Christmas program was discussed, and there will be no business session on Dec. 18 so all the time can be devoted to the program. Miss LaMayne Lindsey, Webster school music teacher, will be in charge.

An invitation to board members and their wives or husbands was extended by Mrs. Shirley Githco for a Christmas party at her home.

The board adjourned to the Gerald Lux home for refreshments served to the above mentioned and Principal Clyde Lee Mrs. Ada Avery, Mrs. Helen Frazier, Mrs. Eileen Tritsch, Don Seitzer, Miss Pat Poole, Kenneth Conn, Mrs. Martha Ebrecht, Mrs. Helen Santagato and Mrs. Thelma Mitchell.

Mr. and Mrs. Carl White and children, Michael, Sheryl and Kevin, 2415 Delta avenue, spent Sunday in Murphysboro, Ill., visiting Mr. and Mrs. Leo White and in Glen, Ill., visiting Mr. and Mrs. William Biesner.

SOCIETY Thank Offering Program For UPW

Mrs. J. W. Senef, World Service chairman, assisted by Mrs. Otto Gross, presented the program Tuesday at a meeting of the United Presbyterian Women of First United Presbyterian Church. Its purpose was the dedication of the Thank Offering boxes for 1961.

An eucumical film strip, "Through These Hands," was viewed by the members, showing where and how the money received from the Thank Offering is used. Mrs. Senef gave a short meditation and closed with a prayer for dedication.

The meeting opened with a hymn accompanied at the piano by Mrs. E. J. Wade, music chairman, and the devotional by Mrs. Norma Schlobach. Mrs. George Holtzsch, president, presided over the meeting; and Mrs. R. N. Johnson, treasurer, presented the budget for 1962. There also were reports from the secretary, treasurer and department chairmen.

Members of Circle Seven served refreshments in the fellowship hall after the meeting. The next meeting will take place Dec. 5, preceded by a pot luck dinner at 6:30.

Kitchen Shower Honors Miss Vig

A kitchen shower for one of the members, Miss Alice Vig, who will be an early December bride, was held last night in connection with a regular meeting of Theta Iota Chapter of Beta Sigma Phi sorority in the home of Mrs. Lucille Harper, 5004 Garfield avenue.

Mrs. Beatrice Brackett, president, was in charge and a resume of a recent executive board meeting was given by Miss Vig. Mrs. Lora Mae Coffman reported on a beatnik party held recently in her home and announcement was made of a housewarming party for the members and their families on Sunday.

Miss Ruth Stovaneff conducted the cultural program presented by Mrs. Brackett on "The History of Dress."

The "round robin," a bakery product, was awarded to Mrs. Betty Ehling and Mrs. Junita Calve received the prize for the evening. A dessert course was served.

350 Attend PTA Open House

Approximately 350 persons attended an open house at McKinley school last night in observance of American Education Week.

Mrs. Gertrude Luebner served as chairman of the event and a short business session was held by Mrs. Luebner. Hamilton, president of the PTA, who welcomed the guests following the usual opening ceremonies.

Announcement was made by Mrs. Rosemary Lennox of Savings Stamp days to be held each Wednesday, and the program consisted of a talk by the school principal, Lee Reid, on the welfare of the children and the need of conferences with the teachers, and a classroom conducted by Mrs. Violet Jeffers, teacher of the fifth grade, on "What Can Modern Health Education Do For Children" with several of the students taking part.

Refreshments were served in the cafeteria by the members of the faculty.

S. T. CLUB MEETS AT TAYLOR HOME

S. T. Club members were guests of Mrs. Mary Taylor, 1811 Fourth street, Madison, Tuesday evening.

The hostess served refreshments to 11 members and presented prizes in the games to Mrs. Wilma Sackett, Mrs. Elsie Lash Meinmann, Mrs. Amelia Anderson and Mrs. Ruth Reynolds.

A Christmas party and gift exchange is planned for Nov. 30 at 6:30 p.m. at the Grand Cafe.

MARSHALL PTA PLANS SCHOOL OPEN HOUSE

Plans for an open house at the Marshall school from 7 to 8 p.m. Monday were discussed by the Marshall PTA executive board meeting at the school Tuesday night. The open house is to be followed by a regular PTA meeting.

Members of the executive board present were Elmer Stille, Eugene Doyle, Mrs. Lessie Dertch and Miss Mary Hopkins, school principal.

HOSTESS TO PINOCCHIO CLUB

Mrs. Carol Squiles, 2615 Grand avenue, entertained her pinocchio club, the Go Setters, last night.

All members were present and awards went to Mrs. Joan Houston and Mrs. Barbara Houston. Others attending were Mesdames Judy Curry, Gale Williams, Sandy Palovich, Barbara Polley and Sharon Gracey.

ENTERTAINING GUESTS
Mr. and Mrs. Walter Sletton of Pontiac, Ill., arrived in the city today to spend the weekend with Mr. and Mrs. Curtis Bandy of State street. Mrs. Sletton is a sister-in-law of Mrs. Bandy.

NEED GUTTER REPAIRS

VISITS RELATIVES
Mrs. Elizabeth Pippin, 1411a Delmar avenue, returned Wednesday after spending the past three weeks visiting relatives in Vandalia and Greenville.

STALLINGS SCHOOL WILL HOLD PROGRAM
Stallings school will observe American Education Week with a special program at 7:30 this evening.

The students will be in Indian costumes complete with war bonnets and there will be skits by each class. Edward Blane is principal of the school.

PARTY FOR DI-ETTS CLUB
The Di-Etts Pinochle club party was held last night in the home of Mrs. Mary Pierson, 1025

Washington avenue. Prizes were won by Mrs. Florence Hagler, Mrs. Janet Cross. Others present were Mrs. Juanita Blevins,

as guest, Mrs. Irene Mooshegian, served from a decorated table holding an anniversary cake. Gifts also were presented. The next meeting will be with Mrs. McGovern, 2424 Grand avenue, Nov. 30.

Relief Cases Up In GC Township

An increase of 27 relief cases during October was reported yesterday by Nelson Hagauer, supervisor for Granite City township, who said arrangements are nearing completion for at least 27 cases to be referred to the Illinois Public Aid Commission.

The 162 cases with \$53 persons during October compare to 135 cases with 463 individuals during September. Relief cases last month amounted to \$11,380, of which \$3868 was medical care. In September, costs were \$9533.

Total relief expenditures during the current fiscal year, which began March 1, are \$60,677, as compared to \$26,745 for the same eight-month period in 1960. Relief statistics in October 1960 were 47 cases with 156 persons and costs of \$4360.

Jaycees To Conduct Community Survey

A sample community survey will begin next month to determine local citizens' views on public services, job availability, schools, shopping services and recreational facilities, the Granite City Jaycees announced today.

Results of the survey will be used to plan a future project for development of community resources, project chairman Arthur Menendez told the Jaycees board of directors at their regular monthly meeting last night.

The program is part of a nation-wide community development drive. Menendez said, and any person in the community is invited to send comments to Jaycees at P. O. Box 3, Granite City.

3 Days Work Next Week At American Steel

American Steel Foundries is scheduled to pour heats next Tuesday, Wednesday and Thursday after being virtually shut down this week. Prospectives for the following week are indefinite, it was learned today.

Only the finishing department is working this week with about 120 of the 573 production force starting the week and gradually the number being reduced as work was completed.

A shortage of equipment orders from railroads is the reason for the production curtailment, A. P. Steinhilber, works manager, said.

Witterongel Takes Part In Regional Conference

M. A. Witterongel, Granite City school district administrative assistant in charge of vocational and adult education, was an invited participant in a school session of the White House Regional Conference yesterday afternoon and evening in St. Louis.

Health, Education and Welfare Secretary Abraham Ribicoff opened the section's meeting and Deputy Commissioner Desmarais of the Office of Education presided. Speakers and panelists discussed physical fitness, education and vocational training. Overall theme of the two-day meeting was "Expanding Opportunities for Youth and Senior Citizens. Full Employment and Economic Growth."

Mitchell Democrats To Hold Turkey Shoots

Plans for a turkey shoot each Saturday and Sunday to raise funds to supply Christmas baskets to needy families were completed last night during a meeting of the Mitchell Democratic Club at the Diamond Inn.

Surplus funds will be used to give a banquet for club members. The turkey shoots will be held in the vicinity of the Diamond Inn.

Chairman George Hendricks presided at the meeting attended by about 50 persons, and it was announced, picnicon and sweet potatoes will be served at the Dec. 13 meeting.

Attend FBI Conference

Chief Barney Fraundorf and Officer George Ramnath of the Madison police and Officer Ralph D. Brawley of the Venice police are attending a Federal Bureau of Investigation training conference today in Belleville on new anti-crime laws.

GIRL SCOUT LEADERS PLAN YEARLY FESTIVAL

The November meeting of Neighborhood One of the Tri-City Girl Scout Council was held Monday evening at the American Legion home in Venice, with the Venice leaders as hostesses. Mrs. Mary Massman, neighborhood chairman, was in charge of the business meeting; and plans were completed for the annual "Festival of Giving" to be held at the Madison recreation center on Dec. 3. Mrs. Zetta Meil will be chairman for this event.

Plans were made for the Christmas dinner for Neighborhood One on Dec. 6 at the American Legion home. The 6:30 p.m. dinner will be served by Venice-Madison American Legion Auxiliary Unit 307, and reservations must be made by Dec. 1.

of 2723 Birch avenue, and operations must be made by Dec. 1. Following the business meeting, Mrs. Jackie Frizzell, program chairman, displayed Christmas decorations which can be made by the troops for handicraft work.

A dessert luncheon was served by the Venice leaders. Those present were Mesdames Margaret Lee, Mary Simmons, Maryetta Wanbaugh, Loretta James, Thelma Skelly, Zetta Meil, Dorothy Bergrath, Delores Bosworth, Grozelia Wright, Lee-Veronica Weston, Gloria Simms, Ernestine Baile and Maxine Tawney, and Miss Dorothy Hin-

Don One of Cub Pack One met Tuesday afternoon with the leaders, Mrs. Margaret Lee and Mrs. Margaret Reidelberger. The meeting was opened with the pledge of allegiance, and the boy presented a magic trick in keeping with the theme of the month, "Magic for Cub Scouts."

Present were Timmy Tolliver, Jack Lee, Ricky Reidelberger and David Scuturo. The meeting closed with the Cub Scout promise and the law of the pack. The Girls Auxiliary of the First Baptist Church of Venice held a regular meeting Monday evening at the church. Adult leaders for the group are Mrs. Beulah Deckard, Miss Lorene Antone and Mrs. Mary Anderson.

Girls present were Susan Hasty, Norma and Donna Nash, Kathy and Doris Griffin and Erica Bazzelle.

Identify Absent Driver

A property destruction charge was filed by Venice police yesterday against William M. Powers, East St. Louis, identified as the driver of an abandoned auto that had shored off a telephone company pole Nov. 5 on the shoulder of South Fourth street near Wiggins highline. He was released until a hearing Saturday.

Arrest Early Today

Venice police charged Cleopas Nabos, 1213 Logan street, with disturbing the peace, resisting arrest, and making criminal threats to Booker Butler at the place tavern at 12:50 a. m. today. He is being held pending release on bond.

Boat Using Magnesium Featured in Magazine

The Milmor Manufacturing Company's 48-foot houseboat, magnesium sheet and extrusions, which makes extensive use of magnesium, is featured in the current issue of the Dow Metal Products News, a nationally distributed magazine.

The Venice welding and fabricating firm, headed by Milton Morris, constructed the boat with magnesium for railings, a ladder, mast, stern canopy frame, coat racks, engine cover, gear box cover and engine room coupling to achieve noise reduction and light weight. The large boat, named the "Queen Mary," can be operated with fuel costs of only 15 cents an hour, the article relates.

Developments Lacking In Barnes Murder Case

County authorities said today there have been no new developments toward solving the Oct. 26 murder here of Billy J. Barnes, 33-year-old railroad worker from Fairmont City who was found in his car off Edgewood road near 30th street. He had been shot seven times. Assistant State's Atty. John Gitchell and Sheriff George Musso said deputies and state police detectives are continuing efforts to gather evidence. Requested this week was Robert L. Niehaus, 38, of 2023 Russell street, a railroad car inspector and friend of the victim, who found the body. Sheriff Musso said no additional information was obtained.

Still awaited are ballistics tests from the state crime laboratory on three .22 caliber revolvers and slugs removed from the body.

NAMEOKI UPW EXECUTIVE BOARD HEARS REPORTS
The executive board of the Nameoki United Presbyterian Women's Association met at the church Tuesday evening, and the December meeting were made.

Mrs. Lu Pyle gave the opening devotional, and excerpts from a Billy Graham book were read by the association president, Mrs. Alta Stewart, who conducted the business meeting. The program chairman, Mrs. Louise Anderson, announced that a "Praise Service" program will be held at the next regular meeting Nov. 13 at 7:30 p.m. at the church.

Mrs. Violet Monahan, world service chairman, reported on articles given on World Community Day for distribution in South American countries, and asked that canned goods be brought to the next meeting for Christmas baskets. She reported that offerings will be taken at the November and December meetings for meat to be put into baskets.

A meeting to make cancer handbags is planned for a later date at the home of Mrs. Edith Simpson, 2632 Benton street. Two new chairmen were announced and will be installed with the other officers at the December meeting. They are Mrs. Ann Freeling, spiritual life chairman, and Mrs. Edith Arvin, local church service chairman.

The Evening Circle will meet Nov. 26 at the home of Mrs. Twyla Marcum, 4062 Vesel avenue and the Afternoon Circle will meet Nov. 30 at the home of Mrs. Frances Flynn, 529 East Chain of Rocks road.

The meeting closed with a circle prayer, and those attending included Mrs. Louise Thompson, Mrs. Fern Mitchell, Mrs. Betty Flynn, Mrs. Freeling and Mrs. Simpson.

ATTEND PROGRAM

Members of the DAV Auxiliary and their friends attended a St. Louis radio show Monday morning.

Mrs. Louise Schelliff announced that the members will give a party for patients at the Madison county sanatorium in Edwardsville Nov. 14, and the group plans to meet at the DAV hall at 6:15 p.m. on that date.

Members attending were Mrs. Laura Flech, Mrs. Sybil Schurman, Mrs. Helen Miller, Mrs. Jo Harrison, Mrs. Pauline Polite, Mrs. Lillian Heffery and Mrs. Strach. Guests were Mesdames Ann Heffery and Julia Heffery of Collinsville, and Betty Favier, Betty Osburn, Charles Brooks, Nell Wasson, Bernice Spach, Marie Boyd, Violet Nichols, Dixie Baker and Geraldine Thomas.

Memorial Service

Saturday By Amvets

A brief memorial service will be conducted at the Madison Memorial Center at 11 a.m. Saturday by members of the Madison Amvets post, in observance of Veterans Day.

Post Commander Steve Kusmerek will conduct the ceremony and will place a wreath in memory of servicemen who gave their lives for the United States.

The post is urging all citizens of the Quad-Cities to display the American flag Saturday from homes and business places.

dating back to 1764 in England and 1806 in the United States, he said Royal Crown Cola, formerly the Nehi Co., is the third largest soft drink firm and leader in the industry in production of soft drinks in cans.

Souvenir canned products were at each place setting for the dinner.

West Coast Shipments
The Granite City plant ships flavor ingredients to franchised bottlers in such cities as Chicago, Detroit, St. Paul, Minneapolis, Cleveland, Kansas City and Indianapolis and will begin ship-

ments to the west coast, from San Diego north to Seattle, about Jan. 1, Glenn told the audience.

"We feel our company is most fortunate in having selected your section of the country to build its midwestern concentrate and canning plant. I am pleased to be in your city again because the people are most cooperative and are on the ball. I predict you will have substantial success in your industrial development program," he concluded.

Honored guests included William T. Miller, RC Cola vice-president of production, Mrs. Miller, and Robert Phillips, manager of the local plant. Prayers were offered by Rev. Robert D. Besty and Rev. John Franklin, and W. L. Johnson played organ dinner music as a roast beef meal was served. Glenn noted the presence of two local bottlers, Ranft and

sewer line the full project will run about \$100,000, with engineering and inspection fees, but he pointed out, maintenance of by-pass lines and diverting is costing the city about \$400 daily.

Tolar said that only one of the five bidders on the replacement project qualified with the levee district (the high bidder), and that if the district was to Edwin F. Wagner, the latter a former president of the American Bottlers of Carbonated Beverages.

seek new bids it would result in a six-week delay.

Beatty suggested that the project be handled jointly by the city and levee district, with the construction handled by Granite City and inspection by the levee district. "This would obviate the waiting period for bids," he added.

To Meet On Contractor
Beatty and Levee Board Atty. John Holan are to meet prior to Tuesday's special session in an effort to determine if other bidders on the project can qualify under levee district standards, which were not discussed or elaborated on at last night's meeting.

Engineer Edward Juncos, of the firm of Sheppard, Morgan & Schwab, said final plans for the sewer replacement are complete. "It's ready to be built," he commented. Tolar said he would refer the

Burglary At Mitchell Home; 4 Other Thefts

A break-in occurred at the home of George Voigt, Rural Route One, Mitchell, between 2:15 and 11:45 p. m. yesterday, in which jewelry and other articles of unestimated value were taken, the sheriff's office reported this morning.

Voigt reported the burglary at 12:15 a. m. today, and said entry apparently was gained through a garage door while no one was home. He said items missing were a table model radio, three watches, two gold rings, one with a ruby stone, a gold watch chain, a flashlight and \$15 in coins.

A soft drink machine at the plans to the levee district's engineering committee "with the recommendation for the quickest possible action."

Derby service station on U. S. Route 67A south of Madison was looted into Tuesday night or Wednesday morning, the sheriff's office reported, and an unknown amount of change taken. The station operator said the broken machine was discovered when he opened the station at 6 a. m. yesterday.

An electric drill, an electric soldering iron and a carpenter's level were taken from a house on the farm of Herbert Buchoff, Pantown road, at noon Sunday. Buchoff, who reported the incident to the sheriff's office this morning, said the items were taken during the lunch hour from a house being remodeled.

Charles J. Barbovic, East St. Louis, told police Monday that the following items were taken from his car while it was parked on a lot at 19th street and Grand avenue during the past month: gas cap, bumper jack, lug wrench, tire and wheel and the floor mats.

Fined In Boxcar Assault

Fines totaling \$110 each were levied against Elmer Wallis, 33 Toledo, O., and Fred Vitakitis, 43, Chicago, Tuesday night by Venetia Police Magistrate Wesley Edwards. They had been charged Nov. 4 with petty larceny and assault after a third occupant of a railroad freight car said he had been beaten and robbed of his shoes and \$8. The two were taken last night to the county jail for non-payment of the fines.

Police reported that Willis A. Pounds, 61, of 3801 Namoid road, struck a parked car belonging to Fred Duffin, 57, of 1300 Madison avenue, in a downtown parking lot on Edison avenue yesterday at 11:10 a. m.

Annual Christmas Seal Drive To Start Monday

Beginning of the 55th annual Tuberculosis Christmas Seal campaign in Madison county is set for Monday, with 45,000 letters prepared by volunteer workers to be delivered next week.

Betty McClintock, R.N., executive secretary of the Madison County Tuberculosis Association, has urged Madison county residents who receive the seals in the mail to buy and use them during the Christmas season.

Those who do not get their seals through the mail may write or phone the association at 114 North Main street, Edwardsville, Mrs. McClintock said.

Warren Stookey, Wood River president of the association, said receipts from Christmas Seal sales give the people of Madison

county a year-round program of research, education and protection with the opportunity for a yearly free chest x-ray.

This year, Stookey said, 20,801 x-rays have been taken, an increase of 411 over the previous year. The x-rays revealed 696 chest conditions, he said, including seven active cases of tuberculosis, 21 chest tumors, 237 cardiac abnormalities and 431 other conditions.

After discovery of the chest ailments, Stookey said, the individuals were referred to the physicians for diagnosis and treatment.

Dr. A. H. Rode of Granite City is first vice-president of the county association, and Dr. E. H. Thies, Granite City, is a member of the executive committee.

BLOCKED STREETS have plagued residents of the Terrace lane area since early summer as the 1150-foot section of sewer collapsed in five places. The above view is at Clark avenue and Terrace lane where the pipeline empties into a lift station. Sewage is being pumped above ground past the area of the breaks. The city opened bids this week to replace the entire line.

State Merit Examinations Set For Tuesday At Alton

Representatives of the Illinois department of personnel will be in Alton next Tuesday to interview and examine applicants for state merit examinations. Miss Maude Myers, state director of personnel, has announced.

There will be various examinations available in the institution of professional and technical fields. Some of these examinations require no previous experience.

State merit examinations include such diversified fields as chemist, food service supervisor, laboratory technician, occupational therapist, registered nurse, rehabilitation counselor, research analyst, statistician, stenographer and volunteer services supervisor.

Representatives will be available to interview and examine applicants from 9 a.m. to 2 p.m. at 87 Henry street, the location of the Illinois State Employment Service office in Alton.

One-Minute Council Session Monday Night

The shortest meeting on record was held Monday night by seven Granite City aldermen and city clerk A. L. Stevens, who met to adjourn the regular session until last night as most aldermen were attending sessions of the Illinois Municipal League convention at Springfield early this week.

Rufus LeMaster was named acting mayor and a quick motion was made to adjourn the meeting until 8 p.m. Wednesday, because of the lack of a quorum—a minimum of nine aldermen. The brief session was conducted in the clerk's office as the council room was locked, and it was over at 8:01 p.m.

Aldermen present were LeMaster, Edmund Bartosik, Samuel Whitmer, Charles Meyer, Arthur Wieser and Samuel Shackleford. Alderman Paul Rutledge appeared about 8:02 after the meeting had been adjourned.

Accident Charge

Evelyn Stephens, 29, of 2644 Center street, was charged with failing to yield the right-of-way at 8:10 a.m. Tuesday at Adams and 26th street. Police said that she was eastbound on 26th when she was involved in an accident with a northbound auto on Adams driven by William Deutch, driver's license as bond. No injuries were reported.

Traffic Heavy As Venice Bridge Starts 4th Year

The Venice-owned McKinley Bridge began its fourth year of city operation much like it ended the third year—with a traffic volume of close to 400,000 vehicles a month. The October 1961 total was 394,260, a monthly report showed today.

The 394,260 total compares with tabulations of 343,092 in October 1960 and 338,886 in October 1959. The initial fiscal year was an abbreviated one, not beginning until the date of purchase, Nov. 21, 1958.

Statistics for the month just completed show a daily average of 12,718 bridge crossings. The 394,260 and 12,718 figures both are only slightly under the record tallies of 394,637 and 12,731 set in August of this year—the time when bridge renovation and Missouri expressway trucks reached such a stage of completion that traffic flow was sharply accelerated.

September 1961 vehicles totaled 375,138, a 12,504 average. A breakdown of the past month's report shows 89,447 crossings in the first week of October, 90,426 in the second week, 89,936 in the third week, 88,370 in the fourth week and 37,081 in the Oct. 26-31 period. Traffic totaled 3,278,215 in 1958-59, 3,971,979 in 1959-60 and 4,132,360 in 1960-61.

Distribution of Christmas Baskets Set For Dec. 21-22

Distribution of Christmas baskets to needy families, through the Salvation Army's \$4500 "Tree of Lights" campaign will be made on Dec. 21 and 22. It was announced today by H. D. Grandjean, local banker and chairman of the Salvation Army board's special Christmas committee.

Preparations are being made by G. H. Sternberg, local contractor and chairman of this year's Tree of Lights program, to begin the campaign. The goal is the same as last year when 405 baskets were distributed. Applications for baskets will be accepted Nov. 15 through Dec. 11, and applicants must appear in person at the Salvation Army office, 1921 Grand avenue. No applications will be taken by telephone or proxy except in the cases of invalids.

The Salvation Army again will serve as the clearing house for all Christmas assistance requests in the Quad-Cities area with the headquarters at 1921 Grand avenue.

The annual toy distribution will be made upstairs at the Army headquarters, 19th street and Grand avenue, to persons receiving tickets on Dec. 21 and 22. The basket distribution will be Dec. 21 in Venice and West Madison and Dec. 22 in Granite City and the remaining section of Madison.

The distribution center will be located at 1824 State street.

Relief Load Drops In Nameoki Twp.

A drop in Nameoki township relief patronage during October was reported this week from the office of Supervisor Harry Briggs, who attributed the decline to the past few months of aid for dependent children of unemployed fathers.

However, several new cases already have been opened this month and additional applications are being received. "It takes about two months for a family to become eligible for the new program," an office employee said.

The October relief report showed 60 cases, a drop from 71 in September. The number of individuals involved dropped from 281 to 192, while relief costs in October amounted to \$5079 as compared to \$6117 in September.

In October 1960, there were 42 cases with 156 persons and costs of \$3012.

Extinguisher Operation Demonstrated At Plant

Assistant Chief Curtis Donley of the Granite City fire department led a demonstration of fire extinguishers yesterday at the Royal Crown Cola Co. plant and also has explained operation of extinguishers to personnel at St. Elizabeth Hospital.

The service is available upon request to local firms and is proving of interest due to advancements in the type of extinguishers currently available, Donley said.

649 Area Traffic Injuries So Far In 1961

Traffic injuries in the Quad-City area have reached the 649 mark during the first ten months of 1961, a monthly survey showed this week. The total was boosted from the 592 nine-month tally with 57 during October.

The injury toll, indicating a possible year-end total of close to 800, is second only to that recorded last year, during 1960, when personal injuries amounted to 662 after ten months and a record 805 at the end of the year.

The current monthly average of 64 injuries compares with 67 last year, 61 two years ago, 52 three years ago, 51 four years ago, 50 five years ago, 57 six years ago, and 36 seven and eight years ago.

Highest injury tabulation this year was the 81 recorded in June. A monthly listing shows 63 in January, 47 in February, 70 in March, 69 in April, 64 in May, 81 in June, 61 in July, 58 in August, 79 in September and 57 in October.

The fatality rate has continued to drop after an unusually high rate in the first half of the year.

With two traffic deaths in February, two in March, six in April, four in May and six in June, the toll for the first six months of 1961 stood at 20.

Since then, there have been single fatalities in August and September and none in July and October, for a total of 22. Worst October tallies in history were four deaths in October 1954 and again in October 1956.

The total of 22 was exceeded during the January-October periods in 1957 and 1958, with 25 each; in 1954, with 35; and in 1953, with 23. There were 22 fatalities in the first ten months of 1959, but only 16 in January-October 1960 and 1958, and 17 in 1955.

At the present rate, a year-end death toll of 26 is possible. This would be the worst in four years; there were 28 fatalities in

October Accidents In Quad-City Area

	Accidents	Injuries	Deaths
1961	124	57	0
1960	149	75	2
1959	136	64	0
1958	138	73	2
1957	143	65	1
1956	108	61	4
1955	163	69	1
1954	128	42	4
1953	75	36	1

1957. It would also tie with 1955 for third highest on record, being exceeded by the 1957 listing and by the 44 fatalities in 1954.

1324 Accidents
With 126 accidents in October, the 1961 total thus far is 1324, topped only by the 1386 in January-October 1960 and 1349 in 1957.

Those years ended with 1731 and 1657 mishaps. A total exceeding 1600 appears likely this year.

First Four Hearings On Zoning Postponed

The first four of 22 zoning hearings scheduled in Madison county have been postponed until unspecified later dates because necessary engineering material will not be ready by the Nov. 21 and 22 dates listed.

Alton May, Alton assistant supervisor and chairman of the Zoning and Subdivision Control Committee of the Madison County Board of Supervisors, said this week the hearings will begin with the Dec. 5 sessions in New Douglas and Lee townships if the material is available.

Dates for the postponed hearings in Olive, Alhambra, St. Jacob and Marine townships will be announced later, as will all the locations. The exact locations have not yet been determined pending solidification of the hearing dates, May said.

The Nameoki township hearing is planned for Jan. 2, with Chestnut and Venice township hearings occurring a week later, on Jan. 9.

After zoning plans are revised on the basis of information obtained at the hearings in all townships having unincorporated areas, a zoning ordinance relating to non-city land will be submitted to the county board for consideration. A zoning commission appointed this year will conduct the hearings.

12,700 Pupils Expected In GC Next September

In making plans to add classrooms and other facilities to Coolidge junior high school, the Granite City school district has taken into account estimates indicating enrollments of 12,740 in September 1962 and 13,633 in September 1963, compared to the present 11,800.

With 7253 elementary, 2710 junior high, 1800 high school and 51 special students currently, the projections show 7612, 2762, 2315 and 51 next year and 7961, 2834, 2792 and 51 in the 1963-64 school year.

Among the considerations is the fact that classes exceeding 1000 in number have progressed upward through the fourth grade. This is expected to reach the fifth grade next fall and the sixth grade the following year, moving in the junior high level in 1964-65.

1400 At Coolidge

Expectations for September 1962 are that Coolidge junior high school enrollment will rise from 1357 to 1401. Prethorpe junior high from 740 to 781 and Central junior high from 613 to 644. The figures are based upon present boundaries and the indicated increase in pupil population.

A boundary adjustment is expected to be made for next September, further increasing the enrollment at Coolidge and reducing it at Central.

Using federal standards, capacities at the three schools are 1032, 608 and 597. Inclusion of rooms not of a standard size, those with enrollment exceeding 60 pupils and those located in basements gives adjusted capacities of 1379 at Coolidge, 840 at Prethorpe and 637 at Central.

The present Coolidge capacity of 1379 consists of 720 in 24 classrooms; 90 in three science rooms; 60 in two arts and crafts rooms; 60 in two home economics rooms; 60 in two vocational shops; 24 in a third shop; 25 in the band room; 40 in the vocal music room; 30 in the business training room; 60 in the activity hall; 20 in the stringed instrument room and 160 in the gymnasium.

Construction planned at Coolidge includes an eight-classroom addition at the southeast corner, or southern end of the front wall facing Nameoki road. Rooms will be side to side instead of end to end, but the exterior wall and windows will conform to the present appearance of the building.

A craft room is planned for the southwest corner of the school, also affording more space for the home economics department, and the cafeteria at the northeast corner will be extended to the north. The cafeteria addition will hide the school's service entrance.

An alternate proposal, to be included if funds permit, is construction of a multi-purpose room adjacent to the present gymnasium at the northwest corner. It would permit greater flexibility in use of gymnasium facilities, allowing larger physical education classes to be handled. Activities in the room would include exercises and wrestling.

Posts \$5000 Bond

William G. Cole, 29, of St. Louis, who was arrested by Granite City police Oct. 20 in Krogan's Market with a companion, was returned here from Madison county jail to appear before Police Magistrate Gospavovic has posted \$5000 bond. Charged with burglary, Cole has been bound over to the grand jury.

What a difference a year makes!

If anyone had told him, a short while ago, that his 1961 Cadillac could be improved on—he would have regarded them with disbelief.

And yet, after only half an hour in the newest "car of cars", he knows that a year of Cadillac progress has made a world of difference.

In fact, the list of Cadillac advancements for 1962 embraces each of the great motoring virtues.

For added beauty, there is a lower, longer silhouette . . . greater simplicity and dignity of line . . . and new interior elegance and luxury.

For improved comfort, there is increased spaciousness . . . new convenience of appointments . . . and a ride that is unbelievably quiet and smooth.

For finer performance, there is greater power . . .

more responsive handling . . . and a degree of all-around road ableness that is new even to Cadillac.

For increased safety, there is a new dual braking system . . . a new three-phase rear warning light system . . . and new cornering lights that illuminate your way around turns.

And we would like to say that even Cadillac quality has been enhanced for 1962. But the truth is simply that the car continues to be built to the highest standards that can be brought to the production of an automobile.

Stop by your dealer's showroom soon, won't you? He'll be happy to demonstrate to you what a difference a year can make—when the year is this one and the car is Cadillac.

State Action Necessary To Achieve Completely Impartial Assessing

Illinois Revenue Department seminars for the township assessors elected last April, including 600 serving for the first time, probably will prove helpful. But until such time as assessments can be made on a scientific, impartial basis, or until an effective different means of producing revenue is obtained, there can be scant hope for complete uniformity and objectivity.

Short of a comprehensive revamping of the revenue system for the state and the taxing agencies under its domain, there is only one way to attain a fair distribution of the tax burden through assessing. It involves amending state laws so that assessors could pay for and use systematic appraisals by independent firms. Probably this would be necessary to set up a procedure requiring assessors to take such a step.

From time to time there is an outcry for greater assessing uniformity. What is realized is that there is as much inequity in valuation between individual properties within a township.

Equitable sharing of taxes remains the goal of all, but too much of the assessing procedure is still a matter of opinion. Until there is a basic revision at the state level, uniformity will continue to be only a goal, rather than a reality.

Nothing New Under The Sun—Reservists Called 2400 Years Ago

Reservists and inductees being called to duty this fall may regard their experience as unique, but the story is at least 24 centuries old, history reveals. Consider the plight of citizens of the Greek town of Troezen, 30 miles north of Athens, where possibly the world's first draft notice has been found inscribed on a two-foot tablet stone tablet. The 400-word message from Themistocles, Greek general, ordered evacuation of all but 30,000 men of military age due to a pending invasion by the Persians in the summer of 480 B. C., the year, of course, not being written quite that far in the past. The decree also told of what proved to be a wise plan—fighting the enemy at sea. The Greeks lost the battle of Thermopylae, fought on land, but a month later defeated the invaders in a sea battle at Salamis. Soon afterward, the Persians began their withdrawal from Greece.

What the future holds for men in uniform on Veterans' Day 1961 is not as clear as the fate of the warriors whose orders were painstakingly carved in stone so long ago. But even though the circumstances are new, today's armed forces share a common bond with the troops of Themistocles—the will to defend their homeland against aggression.

Prejudice is often more prevalent in the nature of those who profess the most tolerance.

DOES ILLINOIS LAW REQUIRE AUTO LIABILITY INSURANCE?

The plight of the person injured in an automobile accident, when both he and the owner or operator of the cars involved are unable to pay the resulting medical bills and his loss of earnings, presents a major problem to our society.

Many car owners carry automobile liability insurance to protect themselves and persons whom they may injure. In deciding whether to purchase automobile liability insurance, the thoughtful driver may ask himself: Am I required by law in Illinois to carry liability insurance on my automobile? Can my driver's license be suspended or revoked if I do not have this insurance?

Early Planning Vital To Enter College In Years Ahead

With college education becoming more essential and costs steadily rising, Quad-City parents can be thankful that a "commuter" university is being established here, affording substantial savings from the average four-year costs of \$8000 to \$12,000 for resident colleges. Even so, financing should be planned in advance, and the best policy is an early start.

Average college costs have risen 33% over the past five years. Since some educators expect today's expenses to double by 1970, it behooves families of prospective students to begin preparing by taking advantage of savings plans currently available.

What with the increasing competition for entrance to college, good grades at the elementary and secondary levels also will be essential even if there is money for the tuition.

Hard work is probably a good thing for mankind but there are some people who want very little of such a good thing.

Time To Adjust Driving Methods To Winter Hazards

Early winter nightfalls have arrived, initial frosts have appeared on lawns and windshields and temperatures have dipped into the 20s, prompting motorists to fill their auto radiators with anti-freeze liquid. The stage is set for the season of ice and snow, and it behooves each driver to make sure that his equipment and attitude are adjusted for winter hazards, the Quad-City Safety Council and local police point out.

Fundamentals include making sure that auto windows and lights are clean, that windshield wiper blades do not streak, that all tires have sufficient treads and the heater and defroster are working properly. Though most Quad-Cityans generally depend on regular, safe driving, it is particularly a set of reinforced tire chains enhance starting and stopping ability on glare ice and packed snow.

A factor regarded as equally important to weather and vehicle conditions is "winterizing" the driver. The ideal motorist proceeds smoothly on snow or ice, operates pedals surely but gently, becomes acquainted with the degree of road slickness, allows plenty of room behind the car ahead, keeps speed well under control, "pump" brakes when necessary to prevent continuous locking or skidding of the wheels, and remains alert to the fact that snow banks and reduced vision can hide driveways, intersections, pedestrians and stalled vehicles.

"Crazy" Talk Not Crazy But Constantly Changing

Hip talk—you are square if you say hep—is confusing not only because of its complexity but also because it is ever-changing. We have concluded after perusal of the idiom currently in vogue in many parts of the nation. Not only has "crazy" jargon changed since our youth, but those resigned to "square slang" also keep up-to-date, since it too is in constant transition.

A brief sojourn in our non-Webster dictionary shows "chopping hip" means living or eating well, "fall" is to arrive or enter, "folded fives" are fists, "lame" is any unpleasant task, "poundcake" is a pretty girl, "potato digger" describes an unkempt person, "raining" means complaining, "alims" are cigarettes and to "stretch out" is to celebrate.

Our only hope is that this treatise will advance us from the category of "lame." Informants tell us that the latter is square, but not beyond redemption. If you are lame, you can learn.

able asset. The security deposit is held to satisfy any judgments the injured person may obtain against the driver or owner for negligently causing his injuries.

Importance of Security
If the necessary security is not deposited within the stipulated time, his driver's license will be suspended if he was the owner of a vehicle involved. If he is from out-of-state, and is not licensed in Illinois, special penalties apply against him.

Once a license is suspended in accordance with this law, it remains suspended until the required security is posted, or until a time elapses from the date of the accident without a lawsuit relating to the accident having been filed against the driver or owner, or until the person proves that he has been released from liability by the injured person.

This column is written to inform and not to advise. No person should ever apply or interpret any law without consulting his attorney. Even a slight difference in the facts may change the result under the law. AGREES WITH 'CRITICAL EVALUATION OF HALLOWEEN'

To the Editor:

Comments by the man who dared write a critical evaluation of the national Halloween in last week's Press-Record didn't I didn't notice a single concurring reply in the next issue. The writer, sure, was a mild-mannered, honest, humble and has a real love for children and his arguments should be supported.

I cannot be as gentle (Egads!) Even this word has been corrupted by the advertisers through children on TV these days about the present status quo celebrations of All Hallows' Eve. The promptly and 100% rightly and largely. Mostly responsible are the parents who think they prove their love for the children by sending them out into the streets, endangering their lives and inflicting on them innocent their own idea of amusement which is as rapid as their heads. Few parents do any thinking. Times like Halloween prove it.

Another idiotic thing is for parents to take these children to parties which are really a curb while the little ones are at our doors begging for delicacies or threatening small violence. Oh man! Now it is not only for one evening but the preceding five weeks of dollars to help offset our ever increasing tax burden.

QUESTIONS TRADITION OF HIGH SCHOOL PROM

To the Editor:

Within a few weeks, it will be Prom time at Granite High. By custom and tradition, the attendance will be limited to these Juniors and Seniors who have earned the right to go, and those who cannot. Both groups would benefit from such a change. The school debating class at the school might use this subject, too.

It would be fine thing if this class of Juniors and Seniors would relax some of the stiff rules attending the Prom. It is a democratic function. In their footsteps could then look forward to this time with expectation of a democratic function in a public school, instead of as a time of bitterness and sadness. We should have more memories of some sort about the prom; those who can go, and those who cannot. There are other parents with opinions about this exclusiveness?

POINTS OUT STREET SIGN DANGER ON 20TH ST.

To the Editor:

When will the street sign on 20th street be moved along 20th street side walk? Will it be after someone gets hurt and sues the city? These signs show poor planning on someone's part. If this is just temporary, it is a bad enough walking so close to the street. Now you have to dodge and weave signs on taxpayer's sidewalks.

CHIDES MISSOURIANS FOR TAX INCONSISTENCY

To the Editor:

Upwards of 6,000,000 are being "tax grabbed" from Illinois yearly because our state is "an island in a sea of state income taxes."

This costly situation has come about because the taxing structures of neighboring states have been slowly shaped by the selfish philosophy of "that which is mine is mine" and "that which is yours is taxable."

Locally, such philosophy is obvious in the way the officials in the St. Louis newspapers. They can be for one thing today for any given reason, and yet they are against a similar thing tomorrow for the same reason. Their stand depends entirely on which way the beneficial wind is blowing for the Missouri side.

On Jan. 31, 1960, in an editorial, "Where is the Taxation?" the St. Louis Post-Dispatch argued selfishly that

Readers are invited to contribute to this column. Name and address must accompany each communication. Brief identity of writer will not be revealed if anonymity is requested. Letters should be 250 words or less.

Missouri has a right to levy its state income tax on East Side residents who work in Missouri.

Their Illinois excuse was that if non-residents were not taxed it would be discrimination against Missouri citizens.

Here the beneficial revenue was blowing toward Missouri, so the Post puts a Illinois excuse ahead of the once principle American tradition of "No Taxation without Representation."

Let on Oct. 13, 1961, in an editorial, "The Big Cheat," the same newspaper argued, quite fairly this time, that all state legislatures should be forced to reshape voting districts proportionate to population, because of the rapidly rising and largely rural areas are being cheated out of their proper representation by state legislatures dominated by thinly populated and small-town areas. Here the beneficial representation wind is blowing away from the city of St. Louis. The Post argues, in effect, that state legislatures should observe the principle of "No Taxation without Proportional Representation."

When will Illinois citizens wake up and demand that our state legislature take effective steps to bring home those millions of dollars to help offset our ever increasing tax burden?

Christian assembly at the Granite Community high school. In publishing the news of the convention, we feel that you have done the community a great service, and helped us accomplish the purpose in holding our convention here, which was to bring the people good news of something better.

The attendance at the public lecture Oct. 29, of 1012 persons who came to hear the talk: "Training for a 'Tight World,'" gives us confidence that people are anxious to hear information that meets their needs. We hope that your newspaper will always perform such service to the people of the Granite City community.

JAYCEES ASKED TO WIDEN AREAS OF ACTIVITIES

To the Editor:

Of what value are the local Jaycees to the Tri-Cities? Is this group representative of the Tri-Cities, or just Granite City?

Why do the press and past projects and social events, concern primarily the citizens and young people of Granite City? There are no worthwhile activities in other areas of the Tri-Cities, besides Granite City? The Jr. Chamber of Commerce is supposed to be I believe unbiased and unprejudiced. It is also non-political and non-partisan organization. The sole purpose of this group is to better the community to the best of their ability. They achieve this aim by selling chances on various items and holding a drawing to bolster their financial needs.

Can any young man living in the Tri-Cities join the Jr. Chamber of Commerce? I mean refer to the Tri-Cities. I mean Mitchell, G. C. Madison and Verona. I noticed that when past events were held for youngsters, such as track & field and tennis events, for youngsters held in Wilson Park in Granite City and no place else?

It would be interesting to know the answer to the above questions, and I would appreciate a reply from the local Jaycee chapter.

My personal opinion of the Jaycees is one of high regard, but I think they could broaden their strength and energy a bit further. There are a lot of young men in the Tri-Cities, who would be a definite asset to the Jaycees, and they don't all live in Granite City.

Four Counties Sponsor NFO President's Visit

National Farm Organization members from Madison, Bond, Clinton and St. Clair counties are sponsoring a free sausage supper Monday in the Lindendale Park dance hall at Highland where NFO National President Oren Lee Staley will be the guest of honor.

Anyone interested in the welfare of the American farmer is invited to attend the supper from 6:30 p.m. with a general meeting to follow at 8:15 across the street in the Highland high school gymnasium. George Miller, farm owner and attorney, from Sedalia, Mo., also will address the local representatives at the general meeting.

Staley, who operates a grain and livestock farm with his wife and three children in Rea, Mo., has been president of the NFO since it began the collective bargaining program for agriculture in 1958. The NFO, whose headquarters are in Corning, Ia., is strongest in the Midwest and also has organizations in Washington, Idaho, Kentucky and Pennsylvania.

There will be entertainment during the supper.

Evening Guild Hears Talk By Rev. Schafale

Rev. Herbert Schafale, pastor of Bethel United Church of Christ in Cahokia, Ill., was guest speaker Monday evening at a monthly meeting of the Evening Guild of Christ, 21st street and Cleveland blvd.

The talk was on the topic, "The Birth of a Church" and an explanation was given of the start of a mission and its work before being established as a church.

Mrs. Marguerite Bernier, president, presided and a new member, Mrs. Dorothy Lueders, was welcomed.

The devotional service was presented by Mrs. Rosalind Buente, assisted by Mrs. Betty Klaus and Mrs. Koziah Jackson.

Announcement was made of a meeting to be held Nov. 23 at 7 p.m. at St. Paul's Church in St. Louis at which two missionaries returned from Ghana, Rev. and Mrs. Richard Biek, will show slides and explain the work of the Adidome Hospital there.

Rev. Robert Baumann announced a prayer vigil to be held from one to five o'clock in Thanksgiving afternoon at the church and further plans were made for the 60th anniversary celebration of the congregation on Dec. 3.

The Guild will send candy to service men from the church, and Mrs. Shelby Rhodes will be in charge of the annual "handing of the greens" ceremony for the Christmas season.

The Christmas party and exchange of gifts will be held in connection with the Dec. 4 meeting.

Hostesses for the evening were Mrs. Shirley Glenn, chairman, Mrs. Mildred Feilner, Mrs. Alice Elledge, Mrs. Genevieve Grady and Mrs. Carol Groves. Refreshments were served from tables decorated with autumn foliage and flowers.

Venice Schools Will Join County Psychologist Plan

Effective next January, at the beginning of the second semester, the Venice school district will join the Madison county cooperative school and psychological services program. The action completes countywide participation.

The school board approved the move at its November meeting Monday night, and also hired a new custodian and two new teachers at Lincoln school.

Board President Lester Salem said Venice still will get as many days of service from the county's two school psychologists as it would have had if participating during the entire year. Seven or eight days will be devoted to Venice schools by the psychologists, he said, with up to 10 students a day receiving psychological testing.

Portion Of Cost

Cost to the district will be \$229, its share of the \$12,900 paid each year by county schools. The state pays \$10,000 of the costs annually.

Venice was the only district in the county not participating in the program, in which the districts cooperatively pay the costs for county school psychologists to serve all districts.

In other action, the board named Charles Isaac, 202 (near) Harrison street, Eagle Acres, to fill an existing custodial vacancy at Lincoln school at an annual salary of \$4430. The appointment was effective Tuesday with a probation period of one year and of the current fiscal year next June 30.

New Teachers

Miss Lena McCleone, a Lincoln high school graduate, was approved as sixth grade teacher at Lincoln to replace Mrs. Hattie Utley, who will be moved to the first grade. Supt. John O. Pier said Mrs. Utley, a primary teacher, is needed as an additional instructor for the first grade, which has 50 students.

Miss McCleone, an elementary teacher, lacks 23 quarter-hours for completion of her degree from Southern Illinois University. Pier said, and was hired with the stipulation that the degree be completed by next September. Her salary was set at \$4000 annually.

Hired as vocal music teacher for both elementary and secondary grades at Lincoln was Miss Dolores Jeanmarie Fields, of St. Louis, a graduate of Webster College. Miss Fields also attended the University of Kansas, and has experience as a professional singer.

Both teaching appointments are to be effective immediately.

Special Education

The board's action in joining the county's psychological services plan clears the way for participation in special education programs as soon as such can be arranged, Salem said.

A group of mothers of handicapped children was present at the meeting, to discuss possibilities of special education classes with the board.

Salem said he met recently with Wilbur R. Trimpe, county school superintendent, and was assured that Trimpe is concerned with special education in the county.

Special education consists of classes for educable mentally handicapped, the trainable mentally handicapped, the physically handicapped, the speech defective, the socially maladjusted and the multiple handicapped, he noted.

A child must be classified by a school psychologist as needing special education before he can be placed in such a class, Salem said.

Currently, Venice has speech therapy classes for 100 homebound children and guidance counseling services, he said, and participation in the county program will provide school psychologists.

Cooperative Plan Needed

To be recognized by the state, Salem said, a special education class in any category must have at least 10 students, with a maximum of 15. Since it is high-transporting children to and from school.

For approved special education classes, the state will pay \$3000 annually toward the teacher's salary, as well as rent on classroom space and costs for transporting children to and from school.

Salem outlined a plan set forth by Trimpe by which the county would be divided into two operating districts and two teaching districts, one in Madison and one in Granite City. Under the plan would have complete jurisdiction over their own.

Cooperating districts would be made up of Venice, Madison, Collinsville, Highland, Livingston, and Troy in one district, and Roxana, Edwardsville, Bell, East Alton, Wood River and Worden in the other.

Costs Divided

Participation in such a cooperative arrangement would assure the minimum number of students for each category, Salem said, and would also divide the cost among all participating districts.

Shortage of special education teachers in all categories is acute, he told the parent group, and may be one of the reasons for the board's action. In addition, complete cooperation between the districts involved would be essential.

"We don't want to turn down a single child in any category," the board president said. "And we will do all we can to see that some kind of (special) education is provided for every child."

Board Members Eugene Elgon and Leo Davinroy were appointed to a committee to work with two persons to be selected by the parent group to study the problem.

Anti-Merger Group Meets Twice Today

The Anti-Merger Railroad Employees United are continuing to meet twice today at the Madison Memorial center. The group, which organized recent protests, is receiving additional support for a resolution opposing the proposed merger of the Nickel Plate, Wabash and Norfolk & Western railroads.

The group contends that the consolidation of the three railroads would result in loss of jobs for a number of Madison-St. Clair counties residents. They met at 10 this morning and have another meeting scheduled for 7:30 tonight.

Harlow Leaving On Award Trip To Mexico

Mr. and Mrs. Lloyd Harlow will leave Saturday morning for a plane trip to Mexico City and an eight-day tour of Mexico as an award for appliance sales at their store, Supreme Radio & Appliances on Johnson road.

They are to return the night of Nov. 18 after visits to Mexico City, Cuernavaca, Taxco, and Acapulco, and a cruise on a square-rigger yacht to Roquetas Beach and fishing. The local store was among the top eight in appliance sales in the district.

Radar Arrives - Accidents, Arrests Down

After September's boom of 99 auto accidents reported in Granite City, police records section officers predicted 83 mishaps for the month of October but statistics show there were 77 mishaps which resulted in 19 injuries and no fatalities.

A possible reason for the decrease drop from the figure predicted for last month could be the arrival of a radar unit at the GC police station. Patrolman Raymond Riddle, records clerk, reported that arrests were down during October but pointed out that the probable awareness of the new radar unit led to more cautious operation of motor vehicles in the area.

Of the accidents, 40 were of the two-car type and 13 involved a moving and a parked vehicle. Three parked cars were struck by hit and run drivers and two utility poles were not much hit by two motorists who drove awfully before police arrived at the scene.

Multiple-Vehicle Accidents

Three three-car collisions were reported and two four-car accidents were noted. Another accident involved two cars and a truck and still another collision occurred between two cars and a truck and still another collision between two cars and a motorcycle.

Other types included three auto-truck crashes; and one report each for the following: auto-pedestrian, auto-garage, auto-railroad guard rail, auto-railroad truck and auto-gasoline tank which resulted in two flat tires, auto-post, auto-motorcycle and auto-barricade with blinking caution lights.

The greatest number of accidents in one day six were reported on Oct. 3 and one day, Oct. 17—a Tuesday, saw no accidents in the city. Six days have five accidents each: October 4, 13, 24, 27, 28 and 30th.

Four accidents occurred on Oct. 25th day and three mishaps were reported on Oct. 2, 10, 11, 21, 23 and 26; two on the 12, 18 and 31; and one on Oct. 1, 5, 6, 7, 8, 9, 14, 15, 16, 19, 20, 22 and 29.

823 Accidents Reported

The 77 total for last month falls within the average report for the year and increases the 10-month total to 823 accidents with 303 injuries and three fatalities. Last month's total is the lowest October figure since 1958 collisions were reported in Granite City resulting in two more injuries than last month.
